

PHILIPPINE SOCIETY OF SOFTWARE ENGINEERS

CENTRAL PHILIPPINE UNIVERSITY

April 4, 2024

MA. EMILY L. CALUMPANG

Principal IV

Lambunao National High School

Dear Ma'am Calumpang,

Warm greetings from Central Philippine University!

I hope this letter finds you well. I am writing to formally inform you about an upcoming outreach activity that **the Philippine Society of Software Engineers (PSSE)** are planning to conduct for the benefit of the students of Lambunao National High School on **April 11, 2024** at LNHS – Senior High School campus.

The **Philippine Society of Software Engineers** is an academic organization recognized by the Central Philippine University. It is the only organization in the Philippines dedicated to students pursuing a Bachelor of Science in Software Engineering.

As part of our commitment to fostering technological innovation and providing valuable learning opportunities, we have organized an outreach activity targeting the 60 Senior High School students enrolled in the Science, Technology, Engineering, and Mathematics (STEM) Program and Science, Technology, and Engineering (STE) students at your esteemed institution.

Our primary objective for this outreach activity is to spark curiosity and interest in technology among the students. Therefore, our activities will showcase fascinating tech projects covering topics such as machine learning, and IoT.

PHILIPPINE SOCIETY OF SOFTWARE ENGINEERS

CENTRAL PHILIPPINE UNIVERSITY

We believe that exposing students to such innovative technologies will not only inspire them but also equip them with valuable skills for their future endeavors.

We kindly seek your approval and support for the conduct of this outreach activity at Lambunao National High School.

Thank you for considering our proposal. We look forward to your positive response and the opportunity to work together for the benefit of the students.

Respectfully,

A handwritten signature in cursive script, appearing to read "Rap".

RAFAEL III J. PRUDENTE

President, PSSE

Favorably Endorsed:
